Bond Election For School Expansion Set For April 17th

The governing board of the Tahoe Truckee Unified School District at its meeting held Tuesday February 13, announced a $2,000,000 expansion program to cope with the rapid growth of the area. This expansion has been made necessary because of the continued growth of the school population throughout the district.

The School Board and Superintendent of Schools, John S. Corbin have been working for eight months making pupil counts, determining residential areas of students, checking with contractors, subdividers, realtors, industries, and others who have knowledge of the growth of this area. All agree that this area is growing at a rapid rate and will continue to grow in future years.

These facts, plus overcrowded conditions already existing, have made it necessary to call for a two million dollar bond issue to finance the building expansion program, Corbin explained.

This year the peak enrollment in elementary schools was 1346. It is estimated that by the 1965-66 school year elementary school enrollment will be 2085. On the high school level this years peak enrollment was 423, and by the 1965-66 school year it is estimated the enrollment will be 969, Corbin said.

An addition of seven classrooms will be built on the present Kings Beach Elementary School, a new site and a complete elementary school, consisting of eight classrooms, cafeteria, multipurpose room, music facilities ,health room and principal's office will be built somewhere between Kings Beach and Tahoe City, thereby relieving pressure from both schools, and reducing transportation.

In Truckee, a new six classroom addition will be added to the present elementary school, bringing it up to its maximum capacity, Corbin said.

On the secondary level plans call for bringing the high school up to its maximum capacity by adding classrooms, music facilities, and a combined auditorium - girls gymnasium. With these additions to the high school it will be possible to offer additional courses in subject matter plus economies of operation and maintenance.

This bond election will be on April 17, 1962, from 7 a.m. to 7 p.m. All phases of the bond election will be explained through meetings held in each school at various times, through brochures, and notices to the public.

It is the hope of the school board and the superintendent that these meetings will be well attended by the public in order that they may be informed of the many problems facing the district in future years, and to relieve the immediate problem of double sessions in many of our schools, Corbin said.

NEW POST OFFICE AT TAHOE WILL BE OPEN

CRYTAL BAY— The new post office at Crystal Bay will be dedicated at 2 p.m. on February 24, Postmaster Vera Wood announced today.

The new facility, located one quarter mile east of the California-Nevada state line, in the North Lake Tahoe community of Crystal Bay, is a part of the post office department's unique leasing plan, the local postmaster explained.

The Lake Tahoe-Sierra Chamber of Commerce has helped the postmaster make arrangements for the dedication and Richard Murphy, assistant postmaster general, bureau of operations, had accepted an invitation to make the dedicatory address.

RAINBOW MOTHERS TO HOLD FOOD SALES

Members of the Rainbow Mothers Club are holding food sales in three locations in the area, planning to have cakes, pies and cookies. They will be very appreciative for the support of the people of the communities and tasty tidbits for the table are promised, according to Betty Rich of Kings Beach.

The sale will take place in the following locations, each opening at 10 a.m. On Friday, February 23 the sale will begin in the P and G Market at Kings Beach, to be followed on Saturday, February 24 in the Truckee Mercantile in downtown Truckee. The Village Store at Tahoe City will also be the setting for the sale at the same time, Saturday, February 24.

HORSEMEN FILE FOR LOCAL CORPORATION

SACRAMENTO — (CNS) — Secretary of State Frank M. Jordan announced the Truckee-Donner Horsemen, in Nevada county, have filed articles with his office to form a non-profit corporation.

The group listed its directors as James L. Sampson, P. O. Box 101, Tahoe City; and James C. McKinley, P. O. Box 1344, and Lloyd D. Van Sickle, P. O. Box 986, Truckee.

Kings Beach Lions Win Championship In Local League

The Kings Beach Lions Tuesday night became the 1962 Tahoe-Truckee Basketball League champions as they roared past the Sierra Market Mountaineers, 59-32, in a first place playoff game.

The Lions, who downed the Mountaineers recently, 55-48, were tied with the Sierra Market quintet for the league title in the regular season final standings with an 8-1 showing.

Guard Ken Osburn sank a variety of unusual shots in leading the winners in scoring with 16 markers. Sam Medford topped the losing Market team with nine.

In the second playoff game, Safeway pushed away a late Tel-Co rally to go on and win third place in the standings with a 39-30 decision over the Telephone Men from Tahoe City.

Bill Simons scored 15 for the Safeway men. Archie Scott and veteran Dale Freeland had 11 and 10 for the Tel-Cos.

Tonight, the league begins its Zone Tournament with a nightcap game matching Safeway and Marier's Marauders. Game time is 8:15. A possible opening game is on tap between the Kings Beach Lions and the "A" division league leaders of the Reno Basketball City League, Town and Country Bowl. If the game can be arranged, it will begin at 7:15 p.m.

Next Tuesday, in semi-final matches of the zone, the Telephone Company meets Sierra Market at 7:15 p.m. The nightcap will see Kings Beach Lions against the winner of Thursday's Safeway-Marier contest.

No Action Taken On Freeway Name

The Truckee Donner Chamber of Commerce has not taken any official action on a proposal to name the new freeway over Donner Summit "Stevens Pass".

Richard Higgins, chamber president and N. F. Dolley, the manager, said that the matter was brought up at a meeting several weeks ago and discussed briefly and that Cecil Edmunds was named to determine whether a new name should be given the new freeway crossing and if so what name would be most appropriate.

Since that time a number of groups, including the board of supervisors, have gone on record as favoring the name of "Stevens Pass", in memory of the man who led a party over the summit four years in advance of the ill-fated Donners.

As a matter of fact, both Dolley and Higgins have expressed themselves as being in favor of leaving Donner Pass as the designation. Other members of the chamber expressed similar opinions but to date no action has been taken.

COLLEGE SKIERS WILL COMPETE AT SQUAW

Wolverine ski stars Ed Ronnestad, Sherman Reams and Bart Stone of Sierra College will be among the competitors this weekend in the New National four-event skiing championship at Heavenly Valley.

The Heavenly Valley and South Tahoe sponsored event is being held at the same time as the annual "Snowshoe" Thompson cross country race.

Next weekend, March 2, 3 and 4 will find the Sierra skiers at Squaw Valley competing in the University of California Vanderbilt Memorial.

LOCAL BOYS MAY BE ON SIERRA BALL CLUB

Coach Paul Chesney's 1962 baseball squad at Sierra College numbered 32 last week as Assistant Coach Andy Staples began putting the horsehiders through conditioning exercises.

The team has a practice bout Saturday with Modesto. Infield hopefuls for the squad include Bill Notley as a potential second baseman and Karl Chandler, also of Truckee as a third baseman.

Hunters Travel South—

Mr. and Mrs. H. E. Hunter who are frequent visitors at Donner Lake during the summers, have left their Alameda home for a winter sojourn at Palm Springs.

Expansion Plan At Hospital Is Given Board's Approval

At a meeting of the governing board of the Tahoe Forest Hospital District Friday night Whitson Cox of the architect firm of Cox & Liske Associates of Sacramento presented a plan requested by the board for current expansion and future needs of the hospital.

The plans as presented would take care of the current needs of the institution, Administrator J. J. McGlade explained, and will provide for some future contingencies.

Financing is proposed through a bond issue which will involve approximately $1,000,000.

The actual cost of the present expansion would be between $800,000 and $900,000, Cox told the board. It would include extending the present hospital plant north to provide more than double the present 21-bed capacity and would also bring the hospital up to standard requirements demanded by state laws. Many of the facilities incorporated in the original structure are now antiquated under existing state codes and changes are mandatory, the board was advised.

It was not announced when the bond election will be held but the board recognizes the need for immediate action and after a thorough study of the plans, in which alterations may be made, will take steps to bring the issue to the voters.

"These plans have been under consideration for months," McGlade declared. "It is no longer a question of desirability but one of necessity that steps be taken in the near future to standardize existing facilities and increase the capacity of the hospital."

Sportsmen Delay Action On Plans

Members of the Truckee Outdoor Sportsmen Friday delayed action on any recommendation to the state fish and game commission regarding the deer hunting situation in this district and will await a meeting with Robert Montgomery, regional manager of this district before taking any official action.

Director Charles Osburn said a communication from Montgomery said he would be pleased to meet with the local organization and discuss the deer problem prior to the meeting of the commission in April.

Local sportsmen are concerned over what they term a diminishing buck population and are seeking some method of bringing the hunting back to normal. They have proposed a refuge but this apparently does not meet with approval from the department and some other course may be decided upon, Osburn said.

Announcement of Montgomery's visit will be given to give all sportsmen in the region an opportunity to hear the discussion.

AUXILIARY DINNER SLATED THURSDAY

Due to the heavy snow storm last Thursday, the Auxiliary of the Donner Lake Volunteer Fire Department postponed the meeting to this Thursday night, February 22nd. The dinner will start promptly at 7:30 and will be held in the basement of the Church of the Mountains in Truckee.

Rev. and Mrs. Clarence Crawford will be judges for the crazy hats and prizes will be awarded for first, second and third craziest creations by president Virginia O'Bear.

It is also election time this Thursday evening and all members in good standing will participate in the nominations, elections and installation of the new officers for the year.

Among the tennis team candidates at Sierra College is Dennis Thompkins of Kings Beach. Coach Howard Woodside reports the Wolverine netmen seem to have a fine chance of finishing first in the Golden Valley conference this season.

Mr. and Mrs. A. L. Davidson returned home from a family reunion held February 11 at the Kenneth Davidson residence at Roseville. It was attended by 25 members of the family, many arriving from distant towns to join the gathering.

Truckee Leads All Stations In Volume Of Vehicle Travel

Although travel into California by way of Truckee's quarantine stations declined during January as compared to December, the local stations were still holding first place as a port of entry, the state department of agriculture reported.

During January 87,465 cars, 4,068 trucks and 930 buses, with passengers totaling 237,730 were checked at the Truckee station, compared to 111,367 cars and 271,140 passengers during December.

In January, 1961, only 55,986 cars and 160, 301 passengers were reported here.

The station nearest Truckee last month was Yermo with 83,744 cars and 225,921 passengers, the report shows.

Meyers on Highway 50 last month reported 9,270 cars, 282 trucks and 44 buses and the passengers total was 26,842. This was a gain of approximately 1,000 cars over January, 1961 and approximately the same as during December.

Economic Survey Needs Cooperation

Whether or not a proposed economic and development survey of this region will be conducted depends upon the cooperation received by Cecil Edmunds, who has been appointed by the Truckee Donner Chamber of Commerce to head the program and who will select his own committeemen.

There should not be too much work involved, Edmunds declared, providing the members of the various committees are willing to devote some time and work together in assemblying the required data. He said expert advise has been offered by state chamber of commerce officials, but that the project's success or failure depends entirely upon the local effort.

It is the desire of the sponsors to assemble facts and figures relating to the area which can be used by those planning to locate in this vicinity, as well as by local business as a guide to expansion or future planning.

These statistics, Edmunds pointed out, will be valuable only if they are put into a comprehensive order and used. They would be of little value if assembled and forgotten. However, he added, there is a vital need to know such facts as the area's potential, its resources, industries, climate, payroll, community services, labor supply, natural resources, wholesale and retail outlets, real estate values, available power, transportation, housing and kindred subjects.

George Sawyer, manager of the Sacramento Valley Council of the state chamber of commerce, at a recent meeting of the chamber pointed out the necessity for having the survey and suggested that it be conducted locally without employing professional engineers. This he said would give the local survey crews a means of knowing their own area.

It will be necessary, Edmunds said, to have some 20 to 30 committeemen to be headed by an organization committee of at least three members.

CUB SCOUT PROGRAM NEEDS COOPERATION

Due to lack of attendance at recent meetings and a dirth of interest in the program, there will be no meeting of the Cub Scouts Monday, Cubmaster Paul Doyle announced.

There does not seem to be sufficinet interest on the part of the parents or boy volunteers for any attempt to reorganize the pack, Doyle said, adding that it is with sincere regret tha the program is being discontinued.

LODGE TO MEET

Naomi Rebekah Lodge No. 2 will meet Wednesday night, February 28 at 8 p.m. with Maggie Avila, noble grand presiding. Anita Allison and Lucille Bick will serve refreshments.

Attends Conference—

Rev. Franklin Evans, pastor of the United Church of Christ at Squaw Valley, will attend the annual pastorial conference and Earl lectures at his alma mater, the Pacific School of Religion in Berkeley Tuesday and Wednesday, February 27 and 28.

February Storms Bring Moisture In Area To Normal

There remains little doubt that February will provide this region with sufficient moisture to bring the season's precipitation up to normal.

The Truckee District of the U. S. Forest Service reported yesterday that the total precipitation for the month of February has been 11.65 inches. This compares to a normal for the month of 4.98.

The normal precipitation for the season to March 1, is 22.75 inches and at present this area has had 19.49 inches or just 3.26 inches behind normal for the end of February.

There were 31 inches of snow remaining on the ground yesterday from the 61 inches which have fallen during the month. Temperature during the week ranged from 13 to 38 degrees.

Aside from some traffic snarls on the higher elevations due to poor visibility and minor accidents, the storm has caused no damage in this area and has brought cheer to the many winter sport resort areas and the thousands of skiers who frequent the region. The heavy pack on Donner Summit and in the Squaw Valley area promises excellent skiing through Easter at least, even though little more snow is recorded.

TAHOE CITY— The level of Lake Tahoe had risen to 6223.45 feet Monday and was still climbing. Four and a half inches of precipitation has been recorded here since last Wednesday and a total of 33 inches of snow fell during the week. There were more than four feet of snow on the ground.

Olympic Film Will Be Club Benefit

TAHOE CITY— The Lake Tahoe Ski Club will present the premiere showing in this area of Marvin Becker's official films of the VIII Winter Olympic Games at the Press Building Theater in Squaw Valley during the next four days.

The film is entitled "Faster, Stronger, Higher" and runs for two hours in full color and sound, being narrated by Lowell Thomas and Willie Schaeffler.

The 12 showings will be as follows: February 22 at 7:30 and 9:30 p.m.; Friday, February 23, 2, 4, 7:30 and 9:30 p.m.; Saturday, February 24 at 2, 4, 7:30 and 9:30 p.m. and on Sunday, February 25 at 2 and 4 p.m.

Tickets will be available at the door with donations of $1.50 for adults and 75 cents for children under 12.

The proceeds from the showings will go to the ski club's junior skiing fund, principally for the Lake Tahoe Thunderbirds.

EMBLEM CLUB WILL HOLD DINNER DANCE

KINGS BEACH— Lake Tahoe Sierra Emblem Club No. 347 is planning a dinner dance, which will be open to the public, to be held in the Nevada Building at Squaw Valley Saturday, March 31.

The theme will be the 49ers. There will be a live orchestra, Gay 90's acts and costumes if desired.

As this will be the last affair with Jean Calhoun as president, Frances Rockholm, the chairman, is hopeful it will be a big success.

The regular business meeting of the club will be held at the Elks Hall March 5 and an initiation will be conducted.

FIRE-ETTES SALE TO BE HELD MARCH 3

The Truckee FireEttes have re-scheduled their food sale for Saturday, March 3, to be held in the Z Market at Gateway Shopping Center and Truckee Mercantile on Commercial Row in Truckee. The sale was previously postponed because of stormy weather.

ANKLE INJURED

TAHOE CITY— Mrs. Stella Watson is hampered in walking following the accidental cracking of a bone in her right ankle. She is getting around gingerly to prevent further injury.

Mr. and Mrs. Charles Fink returned from Carmel where they attended the Saturday wedding of Mr. and Mrs. Richard Ward.

Squaws Will Hold Annual Mardi Gras In Valley March 3

TAHOE CITY— Revelry will abound the evening of Saturday, March 3rd, when the Tahoe Squaws hold their second annual Mardi Gras at the Nevada Center Building in Olympic Valley. Co-chairmen for this gala affair are Caroll Nichols and Carol Onorato.

Frank Austin's orchestra will provide dance music throughout the evening's festivities which will include a sit down buffet supper at 9:00 p.m.

The cocktail hour begins at 7:30 and potables may be obtained at a champagne booth, Irish coffee booth and a regular bar.

The entertainment and decorations are under the supervision of Dorothy Mathewson and Caroll Nichols. Their committee includes: Jean Van Wetter, Betty Jorgensen, Carol Wisdom, Linda Scott, Cheri Helm, Twila Wilson, Jean Sproehnle, Lou Mills, Tessie Anderson, Ruth West, Ruth Burris, Lillian Farr and Jean Schwartz.

The refreshment committee is headed by Carol Onorato and Elizabeth Legras and they will be assisted by Linda Austin, Peggy Lewis, Charlotte Peccenino, Sarah Hunter, Connie Gill, Ivy Kimball, Lea Cook and Dell Tilton.

Bernice Giannini is in charge of tickets and her assistants are Helen Gates and Ruth Lee.

Publicity releases are under the supervision of Fritzi Briner, aided by Jane Koll, Phylis Gardner, Betty Bertillini and Betty Vance.

Lorna Russell, prize chairman, has named Marilyn Boatman and Norma Wilson as her co-workers. Holly Wilson and Bern Franklin are in charge of the telephone detail.

Tickets may be obtained from any member of the organization and are priced at $3.50 per person.

WOLVERINES READY FOR TWO GAMES AT HOME THIS WEEK

After a two weeks recess, enforced by storms which cancelled four games, the Tahoe Truckee Wolverines Friday night will engage the Virginia City varsity at 7:30 p.m. and on Saturday evening will meet the Portola varsity and JVs, the first game starting at 6:30 p.m.

The Wolverines will go to Del Oro for the tournament starting March 8 and their first opponent will be the Bella Vista team on that date.

ELIZABETH TAMBLYN WEDS LEWIS FELLOWS

In a recent double-ring ceremony in Nevada City's Trinity Episcopal Church, Elizabeth Ann Tamblyn became the bride of Lewis Charles Fellows.

She is the daughter of Mr. and Mrs. William L. Tamblyn of Nevada City and King's Beach. The groom is the son of Mr. and Mrs. Ray Fellows of Carnelian Bay.

Judy Tamblyn was maid of honor and Jim Ellison was best man. Bob and Bill Tamblyn, brothers of the bride, served as ushers.

Lewis, after completing his graduate year in physical education at San Jose State, is now stationed at Fort Ord. Mrs. Fellows is completing the nursing program at the University of California Medical Center. After her graduation in June, she will join her husband.

DIRECTORS NAMED FOR CORPORATION

SACRAMENTO — (CNS) — Secretary of State Frank M. Jordan announced the Ponderosa Investment Co., Inc., a Placer county real estate firm, has filed articles of incorporation with his office, to be capitalized at $500,000 in $50 par shares.

Directors of the firm were listed as William S. Briner, P. O. Box 31, and Myron S. Wall, Jr., P. O. Box 52, both of Tahoe City; and Lauren I. Russell, P. O. Box 1236, Truckee.

LUNCHEON MEETING

TAHOE CITY— The Woman's Club of Tahoe City will have a luncheon meeting on March 1 in the home of Mrs. A. A. Snyder at Lake Forest. Luncheon will be served at 1 p.m. and members and guests are invited.

Party Sunday Evening—

Mr. and Mrs. Jack Ellis and Mrs. Don Ryan entertained Sunday evening at a party given in honor of the 16th birth date of Kittie Ellis.

State Official To Explain Purpose Of Park District

Everet Gale, recreation specialist from the state division of recreation, is scheduled to speak before a meeting at the old elementary school in Truckee Tuesday, March 6 at 7:30 p.m. on the subject of the proposed Truckee Donner Recreation and Park District.

Gale, who has had 15 years experience with the division, will explain the purposes of the district and answer questions relative to the project, according to Judge F. W. Wilson, member of the Truckee Donner Chamber of Commerce committee sponsoring the election March 13.

The chamber committee, comprising Wilson, Dr. H. P. Tapia and Ivan Tofft, is arranging the meeting so that everyone will have an opportunity to learn what is planned if the district is authorized by the voters at the election. The committee pointed out that recreation is the principal asset of this area and that the district should develop and promote the facilities available and provide additional sources.

While the future of the district, if formed, will rest in the hands of the directors to be elected March 13, the chamber suggests that a number of projects in various parts of the region be promoted. This may include acquisition of the Donner Lake front on the north side now comprising highway rights of way. Members of the board of supervisors, including Chairman H. G. Loehr have indicated that when the present highway is turned over to the county that this property can well go to the recreation district for public use.

In the meantime, nine candidates for the office of directors of the district beat the February 20 deadline and have filed their petitions.

They are Dr. H. P. Tapia, H. C. Savage, William Curran, Charles Osburn, Dr. E. O. Hendrickson, George Gangler, Sherman Reams, Dan Horman and Daven Morey.

Last Rites Are Held For Yvonne Sykes

Last rites were held in the Drawing Room of the Chapel of the Ellis Olson Mortuary in Albany Wednesday at 3:30 p.m. for Mrs. Yvonne Sykes of El Cerrito, a former well known resident of this community and daughter of Mr. and Mrs. Frank W. Gaiennie of Truckee. Rev. Laurence L. Cross of the Northbrea Community Church of Berkeley conducted the rites.

Mrs. Sykes expired Saturday in Civic Center Hospital in Oakland where she had been a patient only three days. She had not been in good health for some time but her untimely death came as a shock to her many friends here where she spent her youth and where she was for some time employed in the Bank of America.

The deceased was a native of Fallon, Nevada, born November 1, 1918 but had spent 42 years in California. Recently she had been employed as a secretary with the American Engineers and Manufacturing Corporation.

Surviving are her husband, Raymond W. Sykes, a district engineer; a daughter, Mavon A. Gutierrez of Richmond; a son, Raymond W. Sykes, Jr., of El Cerrito; a brother, Daryl Gaiennie of Mansfield, Ohio and a granddaughter, Debbie Kaye Gutierrez of Richmond, and her parents.

Interment will be in Klamath Falls, Oregon, where the Sykes formerly resided.

Friends here extend sincere sympathy to the surviving family.

INCORPORATION IS ASKED BY CHURCH

SACRAMENTO — (CNS) — Secretary of State Frank M. Jordan announced the Sierra Bible Chapel, in Nevada county, has filed articles with his office to form a non-profit corporation.

The group listed its drectors as Dallas Hughes, P. O. Box 391, Kings Beach; and R. B. Denny, Jr., and J. F. Denny, both of P. O. Box 38, Truckee.

TAHOE BOYS ENROLL AT SIERRA COLLEGE

New residents for the spring semester of the Sierra College dormitory are Gary Cline of Tahoe City and Dennis Thompkins and Fred Schultz of Kings Beach.

The dorm has a capacity of 24 students. All are from the Tahoe area this year, since those students live farthest from the campus.

ELF MAKES COLUMN

Royal Elf, Dixon councilman whose name interested Herb Caen, according to a comment in his Chronicle column last week, is a former well known Truckee resident, having been an employe of the local Bank of America and interested in civic affairs during his residence.

DUE DATE FOR STATE FORMS ANNOUNCED

The due date for filing Forms 599 and 596, information returns is Wednesday, February 28, State Controller Alan Cranston, chairman of the franchise tax board, today reminded California employers.

All individuals, partnerships, and corporations engaged in a trade or business in California who make payments of salaries, interest, dividends, rents, and other types of income must file these reports.

Employers must file an information return, Form 599, for each single employee who earned $1,500 or more and each married employee who earned $3.000 or more during 1961.

REAGAN ANNOUNCES FOR CONTROLLER JOB

SACRAMENTO — (CNS) — Assemblyman Bruce V. Reagan, 59-year-old Republican investment executive from Pasadena, has announced he will be a candidate for his party's nomination for the office of state controller.

Reagan, who described himself as a conservative on financial matters, charged the office has been "politically administered" under the present incumbent, State Controller Alan Cranston.

TREE PLANTING WILL START ON FORESTS

Personnel of the Tahoe National Forest have completed their work plans for the most extensive tree planting program in its history. The plans call for the planting of 928,000 trees on 2,133 acres of land. All planting will be done this spring just as soon as the soil condition and the weather are right to yield the highest possible survival.

Tree planting needs on the Tahoe Forest are very large due to the severe fires of 1959 and 1960. Just as soon as the harvesting of the burn timber is completed, the forest prepares the area for planting.

The planting job will be done mostly by private contractors who will bid on the job for various planting areas. Forest personnel will plant some areas using planting machines of several types. Close supervision will be given all work crews to assure that each tree is properly planted and thereby has the maximum chance for survival.

Planting of trees in the Tahoe forest area must be carefully done if the tree seedlings are to survive the long rainless summer period. The time of planting must be precise in that enough moisture must be in the soil to permit the tree roots to start growing immediately. The trees must be planted to a proper depth and the soil firmly tamped so that the roots will not dry out.

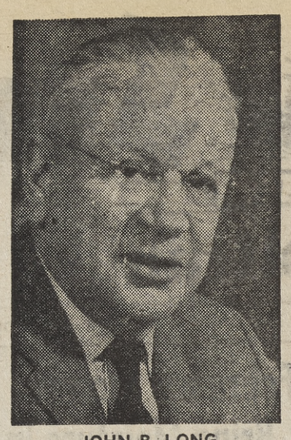
Trees planted are all grown in forest service nurserys from seed stock gathered in the same growing areas in which the seedlings are to planted. Professional techniques are followed from the seed collection stage to the final planting stage in doing this essential forest service work.

NEVADA IS PLANTING KOKANEE AT TAHOE

RENO — Nevada's Fish and Game Commission reports experimental plants of Kokanee salmon eggs have been made in Lake Tahoe.

The plants took place in different shoreline areas of the lake on varying types of bottom material to determine where the eggs would successfully develop and hatch.

Nevada and California fisheries biologists at the lake cooperated in the project to learn if the number of lake spawning Kokanee can be increased. During the past few years, the number of Kokanee in Tahoe has been decreasing.



JOHN B. LONG

JOHN B. LONG QUITS AS HEAD OF C.N.P.A.

CORONADO— John B. Long, for 34 years the energetic and efficient general manager of the California Newspaper Publishers Association was honored here Saturday on the event of his retirement.

The occasion was the annual convention of the association at Hotel del Coronado. About 900 members of the association, their wives and friends, attended a luncheon where Stanley T. Wilson, publisher of the Turlock Daily Journal, acted as master of ceremonies. He presided over a succession of tributes to the peppery and dedicated man who built CNPA into an organization of 600 members, one of the largest of its kind in the world.

Known everywhere as Johnny, Long became a national figure in newspaper circles. He was the founder of National Newspaper Week, he fought tirelessly for freedom of information, and he battled fiercely before the state legislature and any other available forum, for the protection and advancement of newspaper interests.

The United States quarter dates back to 1796; the half-dollar to 1794.

NEWSPAPER LEADER RAPS LAND AD PLAN

SACRAMENTO — (CNS) — The California Newspaper Publishers Publishers association, in a sharply worded letter to the state commissioner of real estate, has called upon him to drop plans for an advertising censorship rule which would be "highly impractical. if not physically impossible" to enforce.

The letter, signed by John B. Long, general manager of CNPA, charged Wynne A. Savage, real estate commissioner, has not tried to enforce the existing law, which the CNPA feels is adequate.

The new rule would require sellers of subdivision property to submit copies of proposed advertising to the state division for screening for possible fraudulent claims. The rule would require ads to be resubmitted if any of the copy where changed.

"Apart from your slanderous implications in these rules and in your recent testimony before a legislative committee that subdividers, their agents and salesmen, and the newspapers, radio and television stations which carry their advertising cannot be trusted, you are imposing upon these people and your own staff an expensive, burdensome task which is highly impractical, if not physically impossible," Long's letter said.

"Do you have the manpower and physical facilities to receive, study, record, and file all those thousands of varieties of ad copy 'intended for use," the letter asked. "If you don't, you're asking subdividers to perform expensive, needless, time-wasting tasks.

"If you do have the man power to perform this tremendous job of censorship, it leads us to wonder what these people have been doing in the past, or what prescribed responsibilties they will be foregoing in order to become censors," the letter said.

The letter noted that, at an assembly committee hearing, Savage had been unable to furnish any evidence of fraudulent advertising.

SACRAMENTO — (CNS) — The state water rights board announced it has received an application from J. E. Faustina, Box 307, Homewood, for 1,000 gallons of water a day from Lake Tahoe, to be used for domestic purposes.

INCLINE RANKS HIGH ON ASSESSMENT LIST

INCLINE VILLAGE — Fourth largest assessed valuation in Washoe county (Nevada) is held by Incline Village, according to County Assessor Albert Boyne's recently released list of the ten highest valuations on the current 1961-62 tax roll.

Only the state's two largest public utilities, and the Southern Pacific railroad, are listed at higher values.

The huge project of Crystal Bay Development Co., on Nevada's North Shore of Lake Tahoe has a total assessed value of $3,751,665 on the new roll to put it in fourth place. An additional 670,000, representing property sold by the company before the roll was compiled and including the numerous new homes in the area, brings the total for Incline Village above $4,400,000.

Only Sierra Pacific Power Co., Bell Telephone Co., of Nevada, and Southern Pacific Co., in that order rank ahead of Incline Village.

INCLINE RESULTS IN BUILDING UPTREND

INCLINE VILLAGE— Doubling of 1961 building permit valuations over 1960 in Washoe county's portion of the Lake Tahoe basin was largely due to construction at Incline Village, a comparison of year-end totals revealed.

At the same time other county building permit statistics showed Washoe county lagging far behind both Douglas county in Nevada and El Dorado county in California, in the Lake Tahoe boom.

Nevada's Ormsby county showed virtually no building activity in either year. Complete Placer county figures are not yet available.

MARKETING PLAN FOR POWER IS EXPLAINED

Regional Director H. P. Dugan of the Sacramento office of the bureau of reclamation announced formal approval of the marketing program whereby the bureau of reclamation will accept applications from public agencies in northern and central California who desire to purchase power and energy to be made available by the construction of the Trinity River Division of the Central Valley Project.

The bureau of reclamation will have at least 250,000 kilowatts of firm power available for sale upon completion of the Trinity River Division powerplants.

In line with this announcement, Francis Longo, manager of the Truckee Public Utility District, said the district has reaffirmed its previous application for service here.

All requests for power should be filed prior to March 1, 1962 with the regional director and applicants will be contacted by representatives of the bureau's Sacramento office to discuss details.

The bureau of reclamation is constructing the Trinity River Division of the Central Valley Project to transport an average of 865,000 acre-feet of water annually from the Trinity River watershed for use in the Central Valley. New power generating facilities with a total nameplate rating of some 384,000 kilowatts are included in the Trinity River Division.

"BEST FOR LESS"

TRUCKEE CALIF.

SUMMIT SCENE

By FRAN COUILLARD

Guess not too many of you remember Lee Stout who, twenty two years ago, was caretaker at Camp Pahatsi, and if you do you may claim a line in the roster of the old timer's department! Well, anyhow, Lee dropped in, first to visit another old timer, Bud Zorich. Bud brought him in to see me and as we hashed over old times — Lee, proudly, brought out an old newspaper clipping that appeared in the Sacramento Bee many, many years ago. (And if you remember this you can put a gold star behind your name in the old timer's ledger.)

We read the clipping sketchily but its import was something like this. Lee had gone from Camp Pahatsi to Kingvale Park — a pretty straight line as the crow flies— to pick up about sixty pounds of meat for the boy scouts at Camp Pahatsi.

Previously the boy scouts had mentioned that they had seen a mountain lion — but their story wasn't given much credance. BUT on the way back to Pahatsi — Lee encountered said beasty on the railroad right of way. Stout broke off a limb of a tree and hit the animal over the head.

I quote from article: "A short wild scuffle ensued . . . When all was over the animal had departed and the caretaker was sitting in a snowbank with a piece of the limb. Right then he felt the urge to yell and produced a "Tarzan" that was heard by Ralph Beeler who was awaiting his return at Camp Pahatsi."

(And we can remember when our father, the late William L. Hack, ran a huge bear out of our yard at Kingvale Park, too!) And so we were once a "wilderness" and its fun to remember!

Anyway Lee Stout is now with the state park system — stationed in Calaveras.

And a HELLO to the newest of Youngtimers-

Meet Terry Wayne Pugh. Looks about two weeks old. A brave couple are the elder Pughs — both, we would say past forty five—and maybe older. Adopted Terry Wayne! For a tiny baby Terry has already established characteristics. And the Pughs proudly walk about exhibiting their new "doll" — whom Mr. Pugh calls "Tiger.

Evelyn Pugh is one of our mountain workers — or I should say — a "step in" when we really get swamped. She WAS a filler in — but no doubt that has all changed. And Mr. Pugh is a mountain chef. Right now employed by the State Highway Maintennance Department on Donner Summit — with his pots and pans and tools.

And a cake is built at Soda Springs for Erma Chilson — Mrs. Blackie Chilson to you. For Erma celebrated a birthday, and being polite we don't ask "which one" — but the inimatable Soda Springs impromptu party was up to snuff!

* * *

—We wrote the above last week — but white gold kept us from slipping it under the door of the Republican Sol in Truckee. So we'll carry on with our serial and pretend that there wasn't a lapse. Before we go into "hatches — matches and dispatches" and more party stuff — and the rest of the friperies that go into the making of a column (or so we think) we have to go into rhapsodies on snow!

We'll "back up" a bit to a period of two weeks ago when the valleyites and the Renoites scanned our heaven with anxious eye. "Going to be another draught year?" "Aren't you going to store any of that stuff up there this winter so our cattle may eat fresh stuff instead of imported grain and hay?" "Do we have to water the lawn next year but once a week?" And the Forests that lie below shook their bleached tops and whispered "Are we going to be in danger again next Summer?"

And it makes you feel down right responsible when you have to apologize for not making enough snow up here to take care of things! So the Gods went in conference this season — even tho' they put their feet under the Director's Table a little late and decided it was time to quit fooling around. They looked into their "forward file" and pulled the string that raised the curtain on the sorry situation.

They started the winter show with a gentle fall — just a teaser. Then the gentle winds that caressed the gentle fall, became a little stronger and the flakes a little bigger. Nature sculptured the windows with wind swept immaculate beauty. And as tho' casting all caution to the winds which swirled the package from the heavens — the Gods went on with their board of directors meeting and forgot about the whole thing. "You asked for it. You got it!" said they and went about their business. And the roads closed and snow shovelers were hired, and the ski tows couldn't operate, and the lights went off (which meant that the heat went off too — in most instances.)

And we hope you Valleyites are satisfied now that you can look toward the East and see the white clad Sierra that should look like so many inverted ice cream cones to you down there.

Anyway we've stored some of the stuff for you and we hope you know that the lights went out! And that to do this for you we have to go thru' a little inconvenience ourselves! But nevertheless we don't have to sneak around come early Summer and apologize for not fixing you up!

And that's that! And you tall old conifers — you had better hover over a lot of this white gold for a mess of you are slated for removal come Spring, or just as soon as you let the sun shine thru, for when that time comes — the carpet that is new Highway Forty will start being unrolled again and you'll be relegated to the burning pile! And this in spite of our present to you, so there!

* * *

And we welcome Bing Fitch home from the hospital and don't think that his lost weight has taken a thing away from this mountain personality. And our kitchen staff is sadly depleted as Joe Kurtz lanquishes in a Reno hospital as the result of an accident. And we wish that we could welcome him home right now, too.

* * *

Another old timer returns to the Mountain. Remember when we had a Donner Trail Association? Well along with the big promoters of same we had a photographer. Name Frank Werber. Frank eventually (after the dissolution of the old D.T.M.R.) migrated to the big city and became a public relations man and ulcers didn't get down our mountain boy. He became Public Relations Director of that snooty "The Hungry Intelligensia" beter known as the HUNGRY I. From there he corralled the fam-

NORTH TAHOE BRIEFS...

. . . By BETHEL

Noble Murray of Brockway spoke to the Nevada Chapter of the American Rights of Way Association at the El Cortez Hotel Friday on "Early Pioneer Rights of Way" before a large group. The talk covered a very colorful area pertaining to the original roads and lumber transportation flumes within the Lake Tahoe, Reno, Carson area, the Peter Lassen trail and the route which is now through Susanville and the area that it opened in Northern California — Redding, Red Bluff.

Noble will give the talk to the Kings Beach Lions Club on Tuesday night according to Bob Daneri, Lions Club president.

Next meeting of the American Rights of Way Association will be at South Tahoe May 4th at Harrahs Club. Governor Grant Sawyer of Nevada has been invited to be guest speaker.

* * *

Happy birthday, Ted Draney of Incline Beach who celebrated his natal day on February 13th.

* * *

Carl and Betty Moran of Allegheny were guests last week of John and Jeri Rayburn of Incline Beach.

* * *

Tom and Theresa Sutton of Kings Beach spent the day Tuesday at Auburn.

* * *

Gloria Frakes and son, Brian, were up from Van Nuys to visit husband and father, Fire Chief Floyd Frakes at Crystal Bay.. Mrs. Frakes plans to move to Crystal Bay within the next month.

* * *

Our sympathy is extended to Ted Draney, Incline Beach, on the death of his father, Samuel E. Draney, in Afton, Wyoming on Feb. 13th.

The Draneys had celebrated their golden wedding anniversary on June 14th, 1961.

* * *

Julia Troy, Don Vanetti and Richard Byrd of San Francisco were guests of Jetta Steward of Tahoe Vista last week.

* * *

Dale Malmgrem of Crystal Bay has returned home after a two weeks vacation at Palm Springs.

* * *

Ralph and Carol Merrell and children Katie and Susan of Saudi, Arabia spent a week's vacation with Ralph's mother, Mrs. Bruce (Bern) May at Kings Beach.

* * *

Women's Society of Christian Service of the Kings Beach Methodist Church will hold a potluck lunch and card party at the home of Adeline Gunkel at Tahoe Vista on March 5th. Pearl Draney will assist the hostess. The affair is open to all women of the area.

Regular meeting of the W.S.C.S. will be March 7th, Wednesday, at the home of Helen Chanda at Agate Bay.

* * *

World Day of Prayer will be held March 9th at Squaw Valley. Eda Judy of Kings Beach is distributing program material in Kings Beach to acquaint and interest people in attending the services.

* * *

Jackie and Zoe Ann Jensen and Hans and Pam Ostrude of Crystal Bay were guests of the Bill Brands at Sun Valley where they skiied last weekend.

* * *

Marian Mueller of Kings Beach entertained at a copperware party on Friday night. Among those present were Freda Fowler, Fran Thompkins, Eunadell Crawford, Louise Francis, Wanda Brooks, Velda Farris, Joan Mae Weathers, Elsa Culbertson, Oelrichs, Terry Baker, Dorothy Hill, Kay Felte and Marguerite Ashton.

* * *

Pearl Draney of Incline Beach was hostess Wednesday to a committee of the Women's Club of North Tahoe for the planning of the annual Hat Party. Present at the meeting were president, Pearl Kientz, chairman, Alice Hall, Marguerite Ashton, Ella Rae Fulton, Artie Burrell, Louise Walter, Bethel Van Tassel and the hostess.

* * *

Annual Hat Party for the Women's Club of North Tahoe will be held 7 p.m. Monday evening February 26 at the Nevada Room of the Nevada Lodge, according to President Pearl Kientz. Alice Hall is chairman of the entertainment and has written an original skit to present to the members and their guests, husbands and escorts, entitled "Babe's Bar Nuttin".

Prizes will be awarded to the prettiest, most original and the funniest. Judges for the competition will Be Carlton Konarske, Pete Redfern and Dale Malmgren.

Cocktails will preceed the dinner for which reservations may be made by phoning the Nevada Lodge at LI 7-2541 or Louise Walter at LI 6-2131.

Cast for the skit "Babes Bar Nuttin" — Babe, Dorothea Whitley; Mr. Good, Pat Acker; Mrs. Good, Julie Von Ruden; Billy, Betty Vance; Betty, Artie Burrell; Miss Prim, Nadine Neugebauer; Mr. Dillon, Maxine Polzin; Chester, Bev. Rebal; Snake Charmer, Marilyn Fugazi; bar, Alice Hall, Bern May; bathing beauty, Virginia Flagg.

* * *

Wm. A. and Helen Howes of Tahoe Vista have returned home after a six weeks trip which took them to Los Angeles and to the home of their daughter at Napa.

* * *

Emblem Club held a luncheon and card party at Bacchi's at Lake Forest on Tuesday. Among those present were Bev Ribal, Laurie Rigor, Virginia Casella, June Clark, Wilma Korich, Leah Hopkins, Frances Rockholm, Theresa Denton, Bernice May, Maxine Polzin, Ruth Lavery, Jean Callender, Jean Calhoun, Sharon Daniels, Elsie Bechdolt, Nadine Neugebauer, Eileen Wilen, Adeline Gunkel, Ann Tiller, Marguerite Ashton, Florence Brown, Catherine Sullivan,

Baltimore, Maryland, takes its name from Lord Baltimore who founded the colony of Maryland in 1634.

SUN ADS GET RESULTS

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF ARCHITECTURE
NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture, Room 172, Public Works Building, 1120 "N" Street, Sacramento, California: until 2:00 p.m., Tuesday February 27, 1962, at which time they will be publicly opened and read in the Hearing Room in Basement of said building, for the construction of the REINFORCED CONCRETE FLOORS AND STEPS, EMIGRANT TRAIL MUSEUM, DIVISION OF BEACHES AND PARKS, DONNER MEMORIAL STATE PARK, NEAR TRUCKEE, NEVADA COUNTY, CALIFORNIA (W. O. AHO1 020 C), in accordance with the plans and specifications therefore and such addenda thereto as may be issued prior to bid opening date.

In general, this project comprises the furnishing of all labor, materials and equipment necessary for placing approximately 7500 square feet of reinforced concrete floor in and about a newly-constructed museum building.

Construction includes fine grading of the existing sub-base; reinforcing steel; perimeter and underfloor insulation in certain areas; placing and finishing of concrete floors and steps; and related miscellaneous work.

Bids will be entertained on a lump sum basis only.

Plans and specifications, and forms of proposal and Bidder's Bond may be obtained by requesting them in writing from the Division of Architecture, Public Works Building, Sacramento, and they may be seen at the office of the Division Architecture, Public Works Building, Sacramento and the Builders' Exchange Offices.

A deposit for plans and specifications will not be required.

No bid will be considered unless it is made on a blank form furnished by the Division of Architecture and is made in accordance with the Provisions of the Building Requirements and Conditions set forth under Section 1 of the Specifications. Each bidder must be licensed, and also prequalified when required. (See Bidding Requirements and Conditions, Section 1 Part B, and as amended in Section 1 Part A.)

The Department of Public Works reserves the right to reject any or all bids, and to waive any informality in any bid received.

Apprentices: Pursuant to Section 1777.5 of the Labor Code and in accordance with the regulations of the California Apprenticeship Council, properly indentured apprentices may be employed in the prosecution of the work. Information relative to the number of apprentices, identification, wages, hours of employment and standards of working conditions shall be obtained from the Director of Department of Industrial Relations, who is the administrative officer of the California Apprenticeship Council.

Prevailing Wage Rates: Pursuant to the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which the work is to be done to be as hereinafter set forth in this notice.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

The basic rate for any classification omitted, shall be not less than $3.225 per hour plus employer payments set forth in the collective bargaining agreement governing the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

Basic Rate per hour	Classification	Employer Payments for H & W	Vacation	Pension
$3.83	Carpenter	11c phw	15c phw	10c phw
3.97	Cement Finisher	11c phw	none	10c phw
3.67	Concrete Mixer Oper. Up to one yard	10c phw(1)	15c phw	10c phw(1)
4.25	Ironworker — Reinforcing	15c phw(2)	10c phw(2)	10c phw(2)
3.225	Laborer	10c phw	none	none
3.32	Truck Driver-Under 4 cu. yd. water cap.	11c phw(3)	15c phw	10c phw(3)

(1) or due as shift differential pay.
(2) included is travel time as hours worked.
(3) including overtime hours and each full hour's pay due employees as shift differential and as pay for half days and full days.
phw — per hour worked.

TAHOE BRIEFS

(Continued From Page 4)

Margie Schubauer, Mary Kimball, Ardy Underwood, Jeanne Reid, Yvonne Bechdolt, Olga Smith, Margaret Kaastrup, Gladys Cahill and Bethel Van Tassel.

* * *

Guests last weekend of the Emory Turchets of Kings Beach were Angelo and Bev Turchet and children, Ronnie and Barbara, of Napa.

* * *

Roy and Nellie Porath of Kings Beach were on a buying trip to Oakland last week.

Optimist Club which met Wednesday night at the Crystal Bay Club with president, Bill Ellison, presiding, were shown the film on the 1960 Winter Olympics.

The Optimist Club is the first service club in this area to join the Lake Tahoe-Sierra Chamber of Commerce.

* * *

Lake-Tahoe Sierra Chamber of Commerce met at the Kings Beach Bowl Thursday for the regular monthly drector's meeting. Present at the meeting were Fred Schultz, manager, Selby Calkins, president, Velda Farris, Carlton Konarske, Tom James, Bethel Van Tassel, Bill Briner, Bob Daneri and guest, Alysmae Schultz.

Bob Daneri and Tom James were appointed on a committee to investigate insurance.

Tom James gave a highway report. A detour for the shortcut will come down National Avenue this summer when the work will be resumed to complete the shortcut. Supervisor Bill Briner also affirmed ths report.

The Chamber will also sponsor dedication ceremonies of the new Crystal Bay Post Office on Saturday, February 24th at 2 p.m. The U. S. Navy Color Guard from Reno will be present and the Tahoe-Truckee High School Band. The assistant postmaster general will attend as well as postmasters who will attend the convention of the Northwestern Nevada Postmasters Association which will be held at Crystal Bay that weekend.

* * *

Chuck Bergman, son of Ray and Barbara Bergman of Brockway, is home on leave from Vandenburg Air Force Base.

* * *

Ellis and Dorthea Whitley of Kings Beach enjoyed a trip to Portland last weekend.

* * *

Glenn Potter and son Jimmy of Los Angeles spent the weekend at Tahoe Vista on combination business-pleasure trip to visit Chuck and Marge Walker.

* * *

Sam and Ruby Faulkner of Kings Beach are enjoying a two weeks vacation away from the snow at Tecupa Hot Springs.

* * *

Ruth Mizner of Kings Beach has been confined to St. Marys Hospital in San Francisco for a checkup. Returned home last weekend.

* * *

Friends will be sad to learn of the death of old-timer in Kings Beach, Shorty Hutchins. Shorty passed away at the Auburn County Hospital on February 11th. He was 85 years old and had spent many years at Kings Beach where he was well known.

* * *

Members of the Rotary Club enjoyed a Valentine party Friday night to which the ladies were invited. Tom Sutton, vice-president, presided at the meeting due to the absence of Sam Faulkner, president, who is on vacation. Dinner, community singing, and fun was enjoyed by a large attendance.

* * *

Sorry to learn that Louise Anderson, former Tahoe Vistan, now a resident of Acapulco, has been on the sick list. However is feeling fine again after relaxing in the sun on the beautiful beach. Dan is busy with his boat business and doing well.

* * *

Tahoe Squaws are having a charitable champagne Mardi Gras at the Nevada Building at Squaw Valley on March 3, Saturday night, at 7:30 p.m. On the program, cocktails, and booths, come in costume if you wish, buffet supper at 9 p.m., tickets $3.50. Contact Bern Franklin at LI 6-2485 or Audrey Brehler at LI 6-3884 for reservations.

The Squaws sponsored an exchange student this last year with monies raised from their activities. Money raised from this benefit will be used for similar charity.

DONNER DOINGS

By VIRGINIA O'BEAR

Well, I didn't think it would happen, but it did! We got snowed in! Just about every social event was postponed until this week or cancelled out. The children came home from School Thursday at 11 o'clock and enjoyed a four day holiday. I don't know about the parents enjoying it though. Between the young ones doing the twist and playing with yo yo's, you just about had to run an obstacle course to "get through." What I want to see is the twist and yo yo's being done at the same time! Now wouldn't that be something?

* * *

Due to the storm last week, the Auxiliary of the Donner Lake Volunteer Fire Department will meet this Thursday night instead. It will be held February 22nd, on Washington's birthday and dinner will start promptly at 7:30 at the Church of the Mountains. Don't forget to wear your crazy hat and all members are urged to attend since it is election time. If you don't want to wear a crazy hat, come anyway! There will be prizes and the judges will be Reverend and Mrs. C. Crawford. Certainly hope we can make it this time and hope it doesn't snow again until after Thursday!

* * *

I've had nothing but phone calls since the children had a dance party last week for the Burgwin children. They want another party! It was a tremendous success and all of the children were so well behaved. It was fun watching the young ones dance so maybe some of us mothers should get together once a week and let these youngsters dance for a couple of hours. Besides the children mentioned last week, invitations were extended to Jill Wurst, Janice Randol and Ray Wiser. Most of the youngsters around here met occasionally last year at the Church of the Mountains under the supervision of Reverend and Mrs. George Symons. Each would take their favorite record and have a lot of fun with refreshments served afterwards. They are pretty young I know, but it helps them socially and our children need something to do.

* * *

The Don Hageman family made a hurried trip to their Donner home last week when they heard about all the snow in the mountains. They kept themselves busy shoveling off the roof so it would not cave in and Don said he planed to put a better roof on this spring that will hold up the heaviest snows!

* * *

Dr. and Mrs. Charles Widenmann of Vallejo came up for a day to check on their home during the storm and will return this week with the children to spend Washington's birthday holiday.

* * *

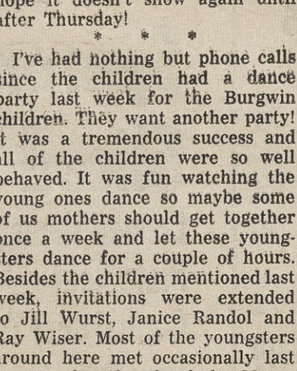
Bill and Clara Siemson and son Jim will arrive at Donner Lake this week to spend a few days. They are from Santa Rosa and most of you will remember Bill as he won the National Championships for boat racing several years in succession with his Gabby-C 411. He is in retirement now and I wonder wht he will think of beautiful Donner Lake all frozen over?

* * *

We are going to press early this week because of Washington's birthday so will try to have more news for you next week. I hope all of you enjoy the holiday and don't forget . . . . spring is just around the corner!

Congratulations —and good luck!

To newly licensed drivers, congratulations! But remember, safe driving depends on you. Despite millions more car-miles traveled, good drivers practising safety helped reduce traffic deaths last year. Still nearly 40,000 died—so we must all do even better. Do *your* part!



Help stop senseless killing on our highways. **Drive safely** yourself. **Insist on strict law enforcement** for your own protection. Work actively with others to **support your local Safety Council.** Remember—where traffic laws are strictly enforced, deaths go down.

SUMMIT SCENE

(Continued from Page 3)

ous Kingston Trio and became their manager.

Well, Frank stopped in to say "Hello" to his old side kick on the D.T.M.R. which is me, and one look at this pile of white gold and he became a convert again. So Frank is up here skiing right now — and we'll get him back yet!

* * *

Ja-ever look at a little tot and wonder what he or she might be thinking? I mean the little ones that haven't established a vocabulary beyond "Mama' Papa," and what the kitty says? Well — out of one of such mouths came a new synonym for "white gold" this very day. And the more I think of it the more amazed I am that I didn't think of it myself — or that someone else hadn't coined it. Said he in a lisp (which I can't get to look right on a typewriter) as he brushed off his diminutive parka which was iced with tiny flakes — "Oh-bubble bath!" And after that sage remark from less than a two year old — I shall never again wonder what a tot is thinking — it might astound us, huh?

* * *

And along with Edison, Lincoln, Washington and Mr. Valentine we celebrate with our illustrious ones, too. A real nice tri-birthday party at Donner Summit Lodge. You may not know Harry Stephan who is a part time resident of this pimple, nor you might not know Bill Brannock who is a Guy Atkinson man (another of those we have adopted) but you DO know UNCLE BERT Barber — who holds forth back of the dispensary plank at D.S.L. And if you don't — then you are not a mountaineer! Well — seems like they tried to shove Mr. Lincoln, Edison and Washington off of that 28 day space on the calendar and all decided to get born in the same month. So with all the friperies that go with a birthday party — same was celebrated and enough wax was set aflame, with the conglomerate figure represented, to start a barbecue. Happy Birthday, Uncle Bert — and we are truly sorry that we couldn't wish it to you in person.

Frankly Fran

Keep our highways clean; carry a trash bag in your car and use it.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

Kindergarten: Our room-mothers Mrs. Derrold Daly and Mrs. John Houlgate, arranged a Valentine party for us. The highlight of the party was the large cake baked by Mrs. Emery Lander and decorated with the name of the teacher and every child in the class. Mrs. Gene Stone made the punch, and Mrs. Eugene Gini helped serve. Mrs. L. R. Brusnahan took moving pictures during the party and she has promised to show them to us some day.

First Grade: We have 3 new boys in our room: Ronnie House, Arthur Vicario and Wess Merica. Debra Hansen has a new baby brother. These children had perfect number papers last week: David Baker, Mike McGlade, James Manetta, Debra Hansen, Jacquie Waller, Louise Gomez, Danny Stone, Robin Waters, Gary Gray, Ronnie House, John Virus, Tim Holloway, Mary Kay Rose, and Kelly Shane. We want to thank Mrs. John Waller,, Mrs. Jergen Vind, Mrs. Zeph Rose, and Mrs. Glen Virus for making our Valentine party a success.

Third Grade: We thank these mother's for helping with our Valentine party: Mrs. McKinnon, Mrs. Denney, Mrs. Stone and Mrs. Thisby. We enjoyed the cookies and punch very much.

Third and Fourth: A lovely Valentine's Party was provided by Mrs. George Steed our Room Mother. Assisting her were Mrs. Miguel Campos, Mrs. Wesley Craig, Mrs. George Harrison, and Mrs. W. J. Eckerman. Special reports about Abraham Lincoln were made by Robert Hambelton, Debra Eckerman, and Sharon Ford.

Fourth: Our class has lost two of its students: Becky Dennis, and Scott Burgwin. The following people received A's in the trial spelling test: Anita Smith, Patrick Stark, Sharon Conine, Carl Mahon, Ben King, Eileen Hausauer, Barbara Randol, Shirley Wescoatt, Darrell Rosamond, and Debby Wurst. Our Valentine party was a huge success. Everyone received plenty of valentines and had lots to eat.

Seventh: Mrs. Bakers class is studing the satellites of Russia. The children will work in groups and present panel discussions on each satellite.

Eighth: This week we welcomed a new student. Mary Wheeler, from Argentina. We also elected new class officers. They are as follows: president, Randy Russell; vice president, Paul Jessen; secretary, Bunny Board; treasurer, Don Stowe; librarian, Monty Straub, and sgt. at arms, Mack Moore.

OLYMPIC AIDE GETS SERVICE ADVANCE

Robert C. Janes, who participated as a member of the U. S. Forest Service winter sports safety and administration team at Squaw Valley during the 1960 Winter Olympics, has been promoted to the California Regional Office, according to Charles A. Connaughton, regional forester.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than March 13, 1962, at eight o'clock P.M., at which place and time bids will be opened for the purchase of two school buses in accordance with the specifications on file at the office of the District Superintendent.

The above buses shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol for 1959 regulations or any amendments thereto. The Board of Trustees reserves the right to reject any or all bids, in part or in toto, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of ten (10%) percent of the bid to guarantee faithful performance of contract.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

HILDA D. HINTZ, Clerk of the Governing Board Tahoe-Truckee Unified School District.

Morning Services, 11 a. m.

CHRISTIAN SCIENCE
Brotherhood will be stressed at Christian Science church services Sunday.
Scriptural selections in the Lesson-Sermon entitled "Mind" will include this advice of Paul: "Now I beseech you, brethern by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no division among you; but that ye be perfectly joined together in the same mind and in the same judgment" (I Cor. 1).
One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (pp. 469-470): "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science."

FINANCE OFFICIAL IS NOT HAPPY ABOUT SQUAW CONTRACTS

SACRAMENTO — (CNS) — A top state department of finance official has admitted the department "is not happy" with the contracts the state has at Squaw Valley.

This statement by Robert Harkness ,assistant director of finance, came at another stormy hearing on the Squaw Valley operation, touched off by an auditor general's report that the state lost about one half million dollars in the first six months of operation at Squaw Valley.

The hearing, conducted by Assemblyman Glenn E. Coolidge, chairman, and the joint legislative audit committee, brought out these facts:

1. The U. S. forest service has written to Senator J. Howard Williams, R-Porterville, stating it wants to invoke its right to renegotiate its contract with the state in that it is not getting and equitable return from its investment of 1,000 acres and $3.5 million.

2. A spokesman from the legislative counsel's office said the Squaw Valley Improvement Corporation is technically in default of its contract with the state because it is in arrears in its payment.

3. Another concessionaire, Alex Cushing, of the Squaw Valley Development Corporation, also is some $37,500 in arrears in payments to the state but claims the state owes him more than that in bills left over from the now defunct California Olympic commission.

4. California spent $1,036,276 on the park in the past 21 months and has received only $133,372 back in revenue.

5. Senator Williams renewed charges that the division of beaches and parks rushed into a contract, aimed at only one person.

Two senators suggested the committee, or a special committee should proceed to get the problems of Squaw Valley settled.

"I have no fault to find with the objective of the state to have a park," Senator Luther E. Gibson, D-Vallejo, said. "I do have fault to find with what's been going on, what is going on now.

"In good business, we would have had this cleared up long ago or we'd have a suit in the courts," he said, "We have a job on this committee to clear this mess up — to expose it. Let's get started on some good recreation for California."

Harkness said he had not been aware before the meeting that the fact that the Squaw Valley Improvement Corporation was in arrears was grounds for breaking the contract. Harkness said he would not give the impression that the state administration wanted to break the contracts but that he "would hazard a guess that we could negotiate a better contract."

The talk of the contract caused Senator Williams to renew charges made when his senate committee on natural resources studied the Squaw Valley matter.

"It certainly was evident to me that too many people were pushed aside to get to one man for the contract," Williams said. "That is water under the bridge. But now that we find we can get out of the contract, we're missing the boat if we don't."

Williams referred to the fact that one member of the Squaw Valley Improvement Corporation was William Newsom, Jr., of San Francisco, a supporter of Governor Edmund F. Brown. At the time the contract was let to the firm, Newsom was serving as a political appointee of Brown in a $18,000 a year post.

Charles A. DeTurk, director of parks and recreation, said that, if the state had to renegotiate its contract with the forest service to pay more to that agency, it would have to renegotiate with the consessionaires too.

RETURN DATE — Pert songstress Teresa Brewer will return as headliner in Harrah's Tahoe South Shore Room for three weeks starting Feb. 27. On the showbill also will be comedian Dave Astor, the Dorothy Dorben Singers and Dancers, and Leighton Noble's orchestra.

SACRAMENTO MAN TO SEEK STATE OFFICE

SACRAMENTO — Andrew E. Barringan, of Sacramento, announced his candidacy for the Democratic nomination for Secretary of State.

Barrigan, 46, of Mexican-Irish descent, has been Administrative Assistant to State Treasurer Bert A. Betts for the past year.

The Civil Air Patrol is a civilian auxiliary of the U. S. Air Force.

Although 100 miles inland, Washington, D. C., the national capital is located on tidewater.

INFORMATIVE MEET OF SOROPTIMISTS IS SCHEDULED FEB. 27

TAHOE CITY— Marty Rieck vice-president of the Soroptimist Club of Lake Tahoe has promised and interesting and informative program for members and their guests, Tuesday night, February 27th.

The meeting will be a dinner meeting, at the Crystal Bay Club, with Maggie Stollery presiding.

Service chairman, Ellen Sklar, received word from Varien Frey, the Soroptimist scholarship recipient this week. Varien, attending Chico State College, noted in her letter that her grade average has been 3.96 or a high A, for her first college semester. Varien expects to visit the club during the Easter holidays.

Mildred Matthias, by-laws chairman, vacationing in the southland for six weeks, will attend several Soroptimist Clubs during her sojourn.

Bea Norris and Helene Torquet were appointed to serve on the scholarship committee for the 1962-1963 awards. Mickey Mandeville is chairman of the scholarship committee.

The Soroptimist board of directors will be guests of the president, at a dinner meeting when it convenes on March 1, at 6:30 p.m. at the Crystal Bay Club. The board will choose one member at that meeting to serve on the nominating committee. The membership will choose one member at the first business meeting in March, with the president choosing the third member of the meeting from membership. The newly revised and adopted by-laws, presented by Mildred Matthias, and approved by the regional by-laws committee will be followed in this years' election program.

The nominating committee will meet the second week in March, choose a chairman, and proceed with the nominating proceedures for the election of officers for the year 1962-1963.

INSPECTOR'S OFFICE OPENS HERE MAR. 1

A branch of the Nevada County Building Inspectors office will be opened in Truckee March 1 with Jack Bergman, a former local contractor, in charge.

This was announced by H. Jack Crawford, recently appointed building inspector for the county.

Crawford said that for the first two weeks the office was open 15 permits for $76,720 worth of new construction had been issued.

According to the inspector, the most frequent inquiry regards the cost of permits. Crawford said fees are based on the valuation of the project planned. For construction ranging in price from $20 to $100, a minimum of $2 is charged, with fees advancing in proportion to the cost. A building permit for a $20,000 home, for instance, would cost approximately $120, depending upon the amount of plumbing and electrical work required.

ANDERSON TO SEEK NEW OFFICE TERM

Calling upon his democratic supporters to prepare for "a great combat of ideas and ideals," Lieutenant Governor Glenn M. Anderson today announced that he would be a candidate for re-election in 1962.

The lieutenant governor's announcement came after a similar declaration from Governor Edmund G. "Pat" Brown.

Anderson pledged "total dedication to Governor Brown in his task of leading the democratic party of California to a sweeping victory this fall." The lieutenant governor added that he had never entered a campaign more confident of victory.

WINTER DRIVING IS HELD DANGEROUS

The dangers to which motorists expose themselves by driving at speeds too fast for conditions or by following too closely are magnified during winter months when fog, snow and rain add to driving difficulties, California Highway Patrol Commissioner Bradford M. Crittenden said.

"Both of these driving errors are responsible for many accidents when road and weather conditions are excellent. Adverse weather only serves to multiply the danger.

"Many of the accidents which occurred during the recent heavy fog in Central Valley were attributable to these two violations.

"When weather limits vision or reduces traction, the driver's only safe recourse is to reduce speed and increase following distance," the commissioner said.

"The alternative is a greatly increased potential for projecting your car into an accident-causing situation."

Between 1880 and 1910 about 18 million persons immigrated to the U. S.

All but 23 miles of Dregon's coast is publicly owned.

Some of our best friends are raccoons

In our job of exploring and drilling for oil we come across all kinds of small furry animals like these.

As a "visitor" in the forest, Standard has a responsibility to protect wildlife and keep the wilderness fresh and green. And we accomplish this in several ways, working closely with fish and game and wildlife officials.

Water wells, essential to our drilling operations, nourish thirsty plants and animals . . . and nesting and breeding ponds are built for wild fowl.

When wells are in, we assure new growth by reseeding grassland and by planting new trees in the work area.

Exploring teams in helicopters keep sharp watch for fires, and on the ground our men with bulldozers and water trucks stand ready to help when fire strikes.

Good conservation includes thousands of oil-producing areas that are also used for recreation, outdoor sports, farming and grazing.

Multiple use of the land allows more people to enjoy our heritage and the beauty of the great outdoors. At the same time, our natural resources are developed to serve the nation.

planning ahead to serve you better

PHILLIP FISHER HAS COMPLETED TRAINING

SAN DIEGO — (FHTNC) — Marine Pvt. Phillip C. Fisher, son of Mrs. Iona R. Fisher of Truckee, is scheduled to complete recruit training Feb. 13, at the Marine Corps Recruit Depot, San Diego, California.

The 11-week, four-phased training emphasis physical conditioning, the history and mission of the Marine Corps, customs and courtesies, hygiene and sanitation, and basic military subjects.

During the rifle range phase, study and practice is devoted to the M-1 rifle, the Browning Automatic Rifle, and the .45-caliber pistol.

Upon completion of the training, the new Marines will report to Camp Pendleton, Calif., for infantry training.

Freshmen Lead In Attendance Mark

Thirteen freshmen, 10 juniors, eight seniors and five sophomores had perfect attendance records at the Tahoe Truckee High School during the fall semester of this year, Principal Harold Drummond announced.

Those with perfect records were:

FRESHMEN

Ron Baker, Larry Detzler, Jim Drummond, Carol Franklin, Eddie Hoff, Harlene Hopkins, Richard Lehto, Glenn Lewis, Paula Peterson, Larry Pierce, Jim Roth, Carolyn Thurman, and Lynn Wagonner.

SOPHOMORES

Steve Besio, Leilani Braasch, Karen Critchley, Mike Kehoe, and Butch Smith.

JUNIORS

Virginia Barnes, Rik Bergman, Al Eberhart, Rosemary Hanks, Jerry Kirby, Gene McGihon, Lonnie Pierce, Janice Roth, Mickey Strickland, and Dennis Whiteneck.

SENIORS

Steffie Cozzi, Hal Drummond, Bennie Ferrari, Stanley Jessen, Wayne Poulsen, Bob Purington, Christine Ribal, and Terry Walker.

PERMIT FOR SEWER AT TAHOE DELAYED

RENO— A permit for the embattled Incline Village sewage system at Lake Tahoe has not yet been issued, state sanitary engineer Wallace White said.

White, director of the State Health Department's Bureau of Environmental Health, refused further comment.

He would only say the permit was being held up, but declined to say why or who was holding it up.

The proposed sewage plant has met heated oppositon from the Lake Tahoe Area Council, which is demanding further studies be made at the plant site before a permit be issued.

NOTICE

Unless garbage cans are left where they can be readily emptied and the snow kept off them, it will be impossible for our collectors to empty them. We ask your cooperation.

Linda Loynd Weds In Carmel Services

The Presbyterian Church at Carmel was the setting on Saturday for the double ring wedding ceremony at which Dr. Ewing officiated when Linda Frances Loynd became the bride of Richard Hadley Ward, in the presence of fifty relatives and close friends.

The attractive bride was given in marriage by her father, Walter A. Loynd. She had chosen a sheath of white lace with a bouffant overskirt, her bridal veil was dotted with seed pearls and she carried a bouquet of white roses. Yellow mums combined with spring blossoms of flowering quince decorated the altar and church.

Judy Lucas of San Francisco was maid of honor. Her gown was of blue organza with blending accessories, the bouquet combined white carnations and blue iris.

John Jorgensen acted as best man and ushers were Jim Loynd and Fred Sample.

Mrs. Walter Loynd, the bride's mother selected an ensemble of navy blue silk with matching accessories, with a corsage of pink roses.

Mrs. George Ward of Balboa, mother of the bridegroom wore green silk, with matching accessories, and a white rose corsage.

Immediately following the nuptial service a reception was held at Hotel La Playa, overlooking the ocean, on a sunny day which had been preceded by prevailing rain.

The just-wedded couple spent their honeymoon in Carmel and later will be at home in San Francisco where Mrs. Ward is employed by the internal revenue service and Ward is with the Employees Benefit Service.

Mrs. Ward, who graduated from Tahoe Truckee high school and Stanford University as an English major, is the daughter of Mr. and Mrs. Walter Loynd of Truckee.

Ward is the son of Mr. and Mrs. George Ward of Balboa and a graduate of the Principia of St. Louis, Missouri and of Stanford University where he majored in economics. He recently completed service in the United States Marine Corps.

Local Drivers Have Accidents In Area

Local drivers were involved in five motor vehicle accidents during the week, the California Highway Patrol reported.

Most seriously injured was Clayton Potts, 56, Grass Valley, a pedestrian, who was struck Sunday night on the Squaw Valley road by a car driven by Lee Junior Jones, 35, Tahoe City.

Potts' car was disabled and was parked on the roadway. Mrs. Potts was holding a light to warn oncoming vehicles but Jones apparently did not see the light until too late. He applied his brakes and skidded into Potts who was outside the car. The latter was taken to the Tahoe Forest Hospital with major injuries and Jones was treated for minor injuries.

Charles E. Sherman, 30, Tahoe City and Barbara Byers, 28, also of Tahoe City, were treated at the hospital Thursday after the car in which they were riding near Deer Park struck a snow plow operated by Robert Wray of Tahoe City. The mishap occurred at 3:40 p.m.

A sno-go operated by Bruce Quartly of Truckee and a truck an dtrailer driven by John Tooker of New Mexico collided Thursday at 1:15 on Donner Grade. Tooker was attempting to pass the sno-go when his trailer jacknifed and struck the plow. No one was injured.

Another snow plow accident occurred Thursday at 12:30 a.m. when the plow driven by Robert Merica of Truckee lost its brakes and struck a car driven by Hans Meyer of San Francisco. There were no injuries.

Three local people escaped injuries last Wednesday when a car driven by Mrs. Mary Margaret Baker, 34, Truckee, skidded into a Jeep operated by C. M. Armstrong, 53, and a car driven by Lynn Harris, 24, was unable to avoid the other two vehicles. Harris and Armstrong both live in Truckee. No one was injured and no citations were issued.

WARNING IS ISSUED TO ILLEGAL PARKERS

Both Lt. Oliver Ledford of the California Highway Patrol and Sergeant Roy Waters of the Nevada County Sheriff's Department have again issued a warning to motorists who park illegally and interfere with snow removal on the streets and county highways.

The situation is especially bad in the Squaw Valley area, Lt. Ledford explained. Cars are left on the roadways and even bridges, making two lanes of traffic impossible and interfering with snow plows which cannot get by in some instances.

Violaters will not only be cited but may have their vehicles towed away, the officers declared.

Both Placer and Nevada County snow crews are working short handed and long hours in an effort to keep the streets and roads open, the officers pointed out, but in order to accomplish a job they must have better cooperation from the motorists.

State crews have also been seriously handicapped in the snow removal program on Donner Summit by illegally parked and careless drivers.

SCHOOL SITE OFFER IS MADE AT INCLINE

RENO— President Arthur L. Wood of the Crystal Bay Development Company wants a school opened at Incline Village on Lake Tahoe's northeastern shore by this fall and wants to sell the Washoe County School District a site for $100,000.

Wood offered an eight acre site for the school. The price tag, he said, includes $6,000 an acre for the land and an additional $6,000 an acre for special sewer, water and street assessments.

The subdivider also told the board architectural plans for the school must be approved by his firm.

Despite Wood's contention he is offering the land to the school board at 30 per cent of its market value, board trustees said the $100,000 price tag was too high. The matter was referred to Superintendent Proctor Hug, who was authorized to hire appraisers to determine the actual value of the proposed school site.

Wood contended there will be at least 200 school age children in Incline Village by this fall.

Boat Show—

The recent Boat Show at the Cow Palace at San Francisco attracted a number of people from this area, including Mr. and Mrs. Robert Leamon, Mr. and Mrs. Richard Higgins and Mr. and Mrs. Reg Smart.

In City—

Mrs. Don Sites has been visiting relatives at San Francisco.

AWARDS ANNOUNCED IN SCHOOL CONTEST

Kay L. Clauser of Olympic Valley has won first place in the Tahoe-Truckee High School 1962 essay contest on the theme Safer Driving Through Better Vision, sponsored by the Sacramento Valley Optometric Society, Dr. Marvin I. Schwartz of Kings Beach announced today.

Kay, daughter of Mr. and Mrs. Dean Klauser, is an hohnor roll student and member of Junior Auxiliary and California Scholarship Federation.

First and only award winner in the poster division is Gerald Marvin of Tahoe City, son of Mr. and Mrs. Tom Wisdom. Gerald is active in football, skiing and track and is a member of the annual staff and Block T.

In the essay division, Karen Lee Critchley of Tahoe Vista, daughter of Mr. and Mrs. Robert S. Critchley, placed second and Jack Sigesmund of Tahoe Vista, son of Mr. and Mrs. Alphonso de Luque, was third.

Mrs. L. Sauby supervised the essay division and Mr. Jean Tyree the poster division for the school.

Tahoe-Truckee winning entries have been entered in the Sacramento Valley area contest. Area winners will be announced during the professional society's awards banquet February 27 at the Sacramento Inn in Sacramento.

NOBODY WANTS TO BE SICK

Some people, consciously or subconsciously, are actually ashamed to be sick. They forget that the marvelous and complicated mechanism called the human body is, like any finely tuned machine, subject to occasional overhauling and repair if it is to continue to function efficiently.

These people resent having to go to a doctor, and they resent having to buy medicine.

Yet these same persons, when their TV sets go on the blink, seek out an expert repairman and pay for services and parts needed to make the set function properly.

Emotions override reason. Nobody wants to be sick. Anything charged for medicine will seem too much.

But good health is far more important than creature comforts.

Today's medicines are your "best buy."

WELL- HOW DID IT GO? DID YOU FIND IT HARD, PAT?

CHUCK!

NAW - IT WAS EASY! ALL WE DID WAS KEEP TURNING AROUND AND WIPING OUR FEET ON THE FLOOR!
